## TERMES ET CONDITIONS DE VENTE

### TERMES

Le prix de vente sera payé comptant et les animaux ne seront pas remis à l'acheteur avant qu'un règlement satisfaisant ne soit effectué.

### OFFRES

L'encanteur doit accepter toutes les offres, à l'exception de celles qui sont considérées irresponsables et l'enchérisseur faisant l'offre la plus élevée sera considéré l'acheteur. Dans le cas où il y aurait une dispute sur la décision concernant l'enchérisseur le plus offrant, l'animal devra encore une fois être offert pour des offres avancées et s'il n'y a pas d'offre avancée, l'animal sera vendu à l'achérisseur dont la dernière offre fut acceptée par l'encanteur.

Tous les animaux annoncés pour la vente à l'enchère sont engagés absolument et positivement à être vendus (à moins qu'ils ne soient retirés de la vente pour une raison valable avant d'être mis en vente).

Il est défendu pour le vendeur d'engager une personne à faire des offres pour lui, excepté dans le cas de copropriété lorsque l'offre est faite avec l'intention de répartir à nouveau les parts de copropriétaires et à condition que l'intention d'une telle enchère et la raison pour cette enchère soient annoncées avant le début de l'enchère pour l'animal en question.

Toute offre réservée garantissant le prix à être perçu pour la vente de tout animal est défendue.

### RISQUE

Les animaux achetés à une enchère deviendront la responsabilité de l'acheteur aussitôt qu'ils seront retranchés comme vendus.

### ERREURS

Toute erreur relevée dans le catalogue sera annoncée de l'emplacement de l'encanteur. Toutes les annonces provenant de l'emplacement de l'encanteur auront la priorité sur toute autre indication dans le catalogue.

### CERTIFICATS

Chaque animal offert en vente, en tant qu'animal enregistré, doit être enregistré, dans le livre généalogique de l'Association. Si un animal est offert en vente comme étant éligible à l'enregistrement, le vendeur et le gérant des ventes sont responsables pour obtenir le certificat d'enregistrement, et une application doit, par conséquent, être soumise avant que l'animal ne soit vendu. Si le certificat d'enregistrement ainsi que le certificat de transfert ne sont pas remis à l'acheteur dans les 60 jours suivant la date de la vente, l'acheteur est en droit, s'il le désire, de retourner l'animal et de se faire rembourser le prix d'achat. Les certificats d'enregistrement et de transfert doivent être fournis sans charge à l'acheteur par le vendeur.

### PURITE

Tous les animaux sont purs à 100%, sauf indication contraire.

### EXPORTATIONS

- Lorsque le vendeur accepte les tests de santé pour l'exportation (et dans le cas d'une vente à l'encan, une telle acceptation est annoncée par l'encanteur avant que la vente ne débute), l'animal devra être considéré au risque du vendeur lorsque vendu ou retranché dans le cas d'une encan. Si, toutefois, l'animal subséquemment manque de passer un des tests de santé pertinents dans les 180 jours de la vente, alors, à l'option de l'acheteur, le contrat peut être résilié, l'animal retourné et le prix de vente (si payé en entier ou en partie) devra être remboursé. Le prix de vente est payable et le contrat de vente considéré comme exécuté et final au moment où l'animal passe les tests de santé stipulés, ou à l'expiration des 180 jours, quelle que soit la première occurrence.
- L'animal peut être laissé à la charge du vendeur jusqu'à ce que la vente soit annulée ou exécutée et finale. Dans ce cas, le vendeur ne sera pas responsable à l'acheteur pour toute perte ou accident pourvu que le vendeur nourrisse et prenne soin convenablement de l'animal le temps qu'il l'ait à sa charge.
- Tous les arrangements nécessaires pour les tests de santé pour l'exportation seront faits par l'acheteur et à son propre compte.

*L'information et les commentaires fournis par l'administration des ventes sont indiqués par #*

### GARANTIES

Le vendeur garantit son titre incontestable et son droit de vendre chaque animal offert en vente. Tous les animaux offerts en vente sont garantis en bon état. A moins d'une déclaration contraire, tous les animaux sont garantis comme étant reproducteurs conformément à ce qui suit.

#### a) MALES

Si un taureau âgé de plus d'un an ne réussit pas à être reconnu comme étant un reproducteur après avoir été employé pendant quatre mois pour des vaches qui sont des productrices reconnues, la chose devra être rapportée par écrit au vendeur, qui a le droit pendant quatre mois d'essayer de prouver que le taureau est reproducteur. Si le vendeur ne peut pas prouver que le taureau est reproducteur, l'animal sera retourné au vendeur et le prix de vente sera remboursé à l'option de l'acheteur. Afin de se qualifier comme reproducteur, un taureau doit être capable d'accomplir un service naturel.

#### b) FEMELLES

Sauf pour les exceptions ci-après mentionnées, toutes les femelles de quinze mois ou plus le jour de la vente sont garanties reproductrices. Dans le cas où une femelle qui n'a jamais vêlé serait vendue, non saillie, ayant atteint l'âge de quinze mois et qui ne réussit pas à devenir l'estante d'ici quatre mois après un service par un taureau enregistré de la même race, étant un reproducteur reconnu, et après avoir été traitée par un vétérinaire qualifié, de telles circonstances devraient être rapportées au vendeur par écrit. Le vendeur aurait droit à une période de quatre mois suivant la date d'un tel avis pour prouver que la femelle est une reproductrice en la faisant saillir avec un taureau enregistré de la même race. Si le vendeur ne réussit pas à prouver que la femelle est une reproductrice, la vente peut être annulée et le prix de vente remboursé si l'acheteur le désire.

c) Une femelle qui a vêlé dans une période de trois mois avant la date de vente est reconnue comme reproductrice.

d) Une femelle qui est gestante lorsqu'elle est vendue est reconnue comme reproductrice.

e) Il n'y a aucune garantie qu'une femelle qui, après la vente, est soumise à des ovulations multiples ou à la transplantation d'un seul embryon, est une reproductrice.

f) Les femelles de moins de quinze mois le jour de la vente sont vendues sujettes à une garantie qu'une telle femelle lorsqu'elle aura atteint l'âge de douze mois sera certifiable, par un vétérinaire qualifié, comme possédant des organes reproductifs adéquats.

g) Il n'y a aucune garantie qu'une femelle

(i) donnera naissance à un veau normal, ou

(ii) portera un veau à plein terme.

### GENERAL

Le gérant des ventes et l'agent du vendeur ne sont pas personnellement responsable pour des garanties ou des représentations faites bona fide en mettant sa confiance sur la crédibilité des renseignements donnés par le vendeur. Le vendeur est responsable de telles garanties et représentations. Les plaintes devraient être faites au vendeur et/ou au gérant des ventes. Dans tous les cas, la responsabilité du vendeur envers l'acheteur est limitée au prix de vente payé par l'acheteur.
